## The Reserve Officers Association of the United States Presents

## The 2011 ROA Academy

The Buttes, A Marriott Resort Tempe, Arizona Friday, 24 June 2011 0800-1700

The ROA Academy is a training environment offered by ROA National to provide professional ROA leadership training and motivation for newly elected ROA Department and Chapter officers. It provides the knowledge, skills and tools to help new Department and Chapter Presidents and other leaders to achieve the greatest possible degree of success during their tenure. It prepares officers in line for succession to the presidency for their future responsibilities. It trains and equips key Department and Chapter officers to take home to their Departments and Chapters the knowledge, skills and tools they receive from the ROA Academy courses to train others.

This course was specifically designed for newly elected Department Presidents (and presidents-elect/officers in line for the Presidency) who have limited exposure to ROA at the National level. Each Department may register their Department President, their President-Elect, and other interested officers. All Department and Chapter leaders are encouraged to register. All ROA Academy courses and workshops are open to all ROA members. Each attendee will be given the ROA Academy Leadership Toolkit CD to take home for review and to conduct local training. We only ask that all attendees for all courses and workshops be pre-registered.

The expenses associated with the ROA Academy will be minimal, room rates are \$79 and the registration fee is only \$30. Please pre-register (cc to your Department secretary), using the Academy registration form. This can be found on the ROA website or I can send you an electronic form (Word) by emailing me at: **bmanouse@hotmail.com**. Either the electronic or the hard copy form of registration is acceptable.

Candidates should email/mail their completed forms as soon as possible following your Department Convention, so that we may begin processing nominations for unfilled slots. *ALL registrations should be received NLT 15 May 2011* to be considered. Email to **bmanouse@hotmail.com** or mail to: Lt Col Barbara Manouse, ROA Academy, 741 Crescent Circle, Canton, GA 30115, (530) 632-5548. Any prospective Department or Chapter candidate for the ROA Academy who has not pre-registered should *NOT* count on being accommodated.

No uniforms are required, appropriate attire is ROA dress casual (golf/sport shirts, khakis/slacks – no jeans, please). The Academy will begin promptly at 0800 on the 24th. All ROA Academy activities should conclude by 1700, *SEE YOU THERE!*
